KANCIL THE PEACE MAKER

ACTIVITIES BY IRENE RITCHIE

KANCIL *The Peace Maker*

.....In the late afternoon he arrived. The Kancil is a small, soft coated, delicate creature who is very intelligent and uses his wit well.

'Master Tigers and Master Elephants! What is going on?' 'Go away Kancil,' uttered the cross tiger.

'Ha we finally have the Kancil and can make sure he will not get away from us because there are many of us,' declared the largest tiger.

'If you don't leave right now, we will swallow you down in one gulp!' harangued the hungriest tiger.

'Wait! Wait! Kind gentlemen of the forest. Sit down with me and listen. Close your eyes and enjoy the smells and sound of the forest and listen to me,' said the Kancil with great hope in his heart.....
